

National Student Assembly

Introducing CPA Divisions & Assemblies

For Students, From Students

First: Welcome from your National Student Assembly!

Who are we?

Students from across Canada in PT programs in Year 1 and 2,
representing our schools in National level conferences,
committees, and activities!

Interested in learning more? Here's the link to our [website](#)!

Our affiliated schools:

The goals of the NSA

student-led group represented under the Canadian Physiotherapy Association (CPA).

The goals of the NSA are to:

1

Unite entry-level physical therapists and student members to enhance communication amongst students nationally.

2

Represent the student voice

3

Provide a forum for discussion amongst students

4

Develop programs and initiatives for students

5

Foster student involvement and leadership within the CPA

6

Promote the assembly, CPA divisions and physical therapy profession
